

JOB ADVERT

SITE PASTOR

ONE CHURCH, LEICESTER

WHO WE ARE

One Church, Leicester is a vibrant and growing church made up of 1000+ people of all ages and over 60 nationalities. We love God, love people, love His mission and love His Church. We were two churches (All Nations Church and Trinity Life Church), which joined to become One Church in 2022. We are part of AoG GB.

We have recently re-developed the 'One Centre', our main building in the heart of Leicester which houses our central ministries, administration and offices. But we are passionate about the 'site' model of church. We are one church, who currently meet in 5 different 'sites' around the county.

We have sites in the north, south and west of Leicestershire, as well as sites in two parts of the city centre. We have a vision to plant again, with a new site being planted in 2024. The role we are looking to fill is to lead the One Church North Site, based in the area of Beaumont Leys.

NORTH SITE

One Church North was the first site to be planted by Trinity Life Church in 2013. We meet in a secondary school building in Beaumont Leys, a suburb to the north of Leicester city centre. The site is made up of people from the locality and the wider surrounding area. There are around 150 members, with around 70 between the ages of 0-18. The site has been well led and is now in a great position to move forward. Teams are strong, people are willing and expectant, and the area is ripe for harvest.
